CompTIA Network+ Preparation  
(CCT-E88-HYA)

Course Description:
Network+ Preparation is a comprehensive networking technology course with over 50 lab simulations. The course which will provide students with the knowledge, skills and experience needed to enter the industry as a Network Support Technician.

Students will learn how to install networking hardware, configure and troubleshoot home, office, and business networks, employ TCP/IP network protocols and utilities, and connect mobile and desktop devices to a network. The CompTIA Network+ Preparation course builds upon the experience students have gained from the CompTIA A+ course, or related field experience.

This course meets the specifications and prepares students for two industry certification programs:
- TestOut Network Pro Certification
- CompTIA Network+ (N10-005) Certification.

Professional IT Certification Exams:
TestOut Network Pro Certification: An industry certification which measures both knowledge and job performance skills. The TestOut Network Pro Certification measures student’s ability to install, configure, troubleshoot PC wired and wireless networks and mobile devices.

CompTIA Network+ (N10-005) Certification Exam: This knowledge based exam covers network technologies, installation and configuration, media and topologies, management, and security. Candidate job roles include network administrator, network technician, network installer, help desk technician and IT cable installer.

Course Delivery Format:
The CompTIA Network+ is a hybrid course (online-with limited campus sessions) in which course lectures, demonstrations, quizzes, and labs are delivered online. Two on campus sessions are required, held at Kennebec Valley Community College.
- Orientation Session: 2 Hours
- Exam Session: 2 Hour Proctored Network Pro Certification Exam

Note: Students may register for the course up to two weeks after the orientation date. Cost is $305.00 and includes the course material, course software, TestOut Network Pro Exam and KVCC Instructor support. Discount vouchers for the CompTIA Network+ Certification exam will be made available for student purchase.
