Want to Make a Difference in Someone's Life?

We are looking for proactive, positive team players like you who are looking for a challenging and satisfying job serving adult clients with developmental disabilities in Monmouth, Maine.

Medical Care Development, a non-profit agency, serving individuals with developmental and other disabilities, is accepting applications for all shifts including weekend and per diem for direct care aides to work with residents on activities of daily living at our new 4 bed facility located at 213 Main Street in Monmouth. We are looking for responsible, caring and positive team players. A high school diploma or equivalent, valid Maine driver's license, a clean driving record, and the ability to work in a challenging environment are required. Prior experience in working with the developmentally disabled is preferred.

MCD offers a competitive wage and benefits package. Some of the benefits included in the benefits package are health, dental, and life insurance, plus a retirement plan for eligible employees. MCD provides Professional Trainings courses to eligible employees for such trainings as CPR/First Aid, DSP, MANDT, and CRMA.

Interested applicants must complete an employment application, which can be downloaded at www.mcd.org/employment.html and must submit along with their application a copy of their highest educational certificate such as a high school diploma, GED, college diploma or transcript. Applications must be sent to Human Resources Manager, Medical Care Development, Inc., 11 Parkwood Drive, Augusta, Maine 04330 or by email to ejewett@mcd.org or by fax at 207-626-5490. To request an application please call 207-622-7566 ext. 222.
