Kennebec Valley Community College is pleased to provide the following information regarding our institution's graduation/completion and transfer-out rates. The information is provided in compliance with the Student Right-to-Know Act of 1990. The rates reflect the completion and transfer-out status of the general study body who entered the College during the 1997-98 academic year at a point at which 150% of the normal time-to-completion had elapsed.

During the fall semester of 1997, 103 first-time, full-time, degree-seeking Undergraduate students entered Kennebec Valley Community College. After 3 years, 55% of these students had graduated or completed their programs and 5% had transferred to other higher education institutions. These rates are among the highest in the Maine Community College System.
