

KVCC Instructional Opportunities

Kennebec Valley Community College is accepting applications for adjunct instructors for our online Computed Tomography and Mammography certificate programs. We invite those who are excited about teaching to apply. These are non-benefited positions with teaching assignments on a course-by-course, semester-by-semester basis.

Required instructor credentials vary, as follows:

- A minimum of a Bachelor's degree in the area of instruction,
- Current State of Maine radiologic technology license or eligibility
- Current ARRT credential – certification in the area of instruction
- Experience in the area will be taken into consideration in lieu of degree

If you are interested or for more information, please contact:
