Professional Development and Training
KVCC offers a comprehensive schedule of Continuing Education Courses for the community. Professional development courses include: welding, First Aid/CPR, computer training, business writing, and small engine training. For a complete list of professional development opportunities at KVCC, please visit:

http://www.kvcc.me.edu/Pages/Professional-Development/Professional-Development-Home

KVCC works with community business and industry to provide Individualized Training topics targeted for specific business and industry workforce needs. KVCC staff and faculty work with employers to custom tailor training topics, goals, curriculum, and training times and location. Examples of Individualized Trainings for local business and industry include:

- Maine Army National Guard
- J&R Metal Framing
- SAPPI
- Verson Paper
- Vic Firth

KVCC provided continuing education courses and individualized training to over 1,000 individuals during 2014-2015.
