2009-2015: Average Amount of Student Aid

Professional Development and Training

KVCC offers a comprehensive schedule of **Continuing Education Courses** for the community. Professional development courses include: welding, First Aid/CPR, computer training, business writing, and small engine training. For a complete list of professional development opportunities at KVCC, please visit:

<http://www.kvcc.me.edu/Pages/Professional-Development/Professional-Development-Home>

KVCC works with community business and industry to provide **Individualized Training** topics targeted for specific business and industry workforce needs. KVCC staff and faculty work with employers to custom tailor training topics, goals, curriculum, and training times and location. Examples of Individualized Trainings for local business and industry include:

- Mid-State Machine Products (Precision Machining)
- Central Maine Power (High-End Computer Programming and Leadership Trainings)
- Lohman Animal Health (Computer and Science Trainings)
- Cianbro (Welding)

KVCC provided continuing education courses and individualized training to nearly 800 individuals during 2015-2016.
