Kennebec Valley Community College (Farfield, ME)

Federal Cohort: Fall Students 2010
VFA Cohort: Fall Students 2010

Comparison of the college’s IPEDS (federal) graduation rate to the college’s VFA Six-Year Outcomes

Federal Grad Rate (IPEDS) Compared to VFA Outcomes (by VFA full-time and part-time students)

Professional Development and Training
KVCC offers a comprehensive schedule of Continuing Education Courses for the community. Professional development courses include: welding, First Aid/CPR, computer training, business writing, and small engine training. For a complete list of professional development opportunities at KVCC, please visit:

http://www.kvcc.me.edu/Pages/Professional-Development/Professional-Development-Home

KVCC works with community business and industry to provide Individualized Training topics targeted for specific business and industry workforce needs. KVCC staff and faculty work with employers to custom tailor training topics, goals, curriculum, and training times and location. Examples of Individualized Trainings for local business and industry include:

• Backyard Farms
• Central Maine Meats
• Cianbro (Welding)
• Mid-State Machine

In 2017, KVCC enrolled in the Voluntary Framework of Accountability. KVCC is the only community college in Maine to participate in this comprehensive national accountability system facilitated by the American Association of Community Colleges (AACC)
