KVCC Foundation 23rd Annual Golf Tournament

Kennebec Valley Community College
Scholarship Fundraiser.

Enjoy a day on the course, food, prizes, and much more!

KVCC annually serves more than 4,000 students through credit, business, industry, professional development, & dual and concurrent high school programs. KVCC enrolled 1,613 degree-seeking students during the 2016-2017 academic year.

Scholarships open the door to education for low-income students, reduce financial obstacles that impact success, and empower students to achieve their academic and professional dreams.

The KVCC Foundation engages supporters to invest in students, faculty, and programs to empower individuals and to build stronger communities.

KVCC Foundation Scholarships support:

- KVCC Nursing and Allied Health programs;
- Electrical Lineworker, Sustainable Construction, trades, and technology students;
- Future farmers, chefs, accountants, educators, behavioral specialists, and mental health technicians;
- Students seeking to complete an associate degree before transferring to a four-year college or university;
- Students who are only able to attend college because of scholarship support.
