Kennebec Valley Community College  
Student Scholarship Fundraiser

**A tribute to KVCC's 50 years of student, community, and  
workforce success!**

Serving more than 3,000 students each year, KVCC has grown to include three campus locations: Fairfield, Hinckley, and the Buker Center in Augusta, more than 30 degree and certificate programs, a wide-range of online learning opportunities, dual and concurrent high school programs, and a robust Institute of Workforce Training and Professional Development.

This important fundraising event increases scholarship opportunities for KVCC students. Scholarships open the door to education for low-income students, reduce financial obstacles that impact success, and empower students to achieve their academic and professional dreams.

The KVCC Foundation engages supporters to invest in students, faculty, and programs to empower individuals and to build stronger communities.

**KVCC Foundation scholarships support:**

- KVCC Nursing and Allied Health programs
- Electrical Lineworker, Precision Machining, Energy Services, trades, and technology students
- Future farmers, chefs, nurses, accountants, educators, behavioral specialists, and mental health technicians
