WELCOME KVCC STUDENTS!

To our students new to KVCC, we are excited to have you begin your college experience with us, and to our continuing students, we are glad you are back! We hope you have all enjoyed your summer time and are ready to work.

In the world of education, faculty, staff and senior administrators have a common goal. We believe in the power of education to change lives and work to provide opportunities and access. But that's just one side of the equation. Entering this world of academia is an important first step. Working your way through and completing the courses needed for a certificate or a degree is another thing altogether!

We have watched and admired the determination shown by students who are working through tough times. There may be medical issues that have come to light for the student or a family member; personal concerns around finances or relationships; opportunities to return to work that force a student to weigh the pros and cons of school versus placing their education on hold.

Grit. Determination. Resiliency. All words that communicate the idea that when the “going gets tough – the tough get going”!

Take a moment and think about how you approach a tough decision or a problem you encounter.

Perhaps you journal, make a list of options, create the pros and con list of different pathways, talk with a friend, seek out an advisor. Think about what you will need to persevere. It is true that this is all up to you but know that we are here to support your journey and cheer you to completion.

Ask lots of questions, seek support and do so early and often.

Keep your eye on the prize – May will be here before you know it!

The success of Kennebec Valley Community College is based on a commitment from all members of the community to abide by policies of the College, to respect each other, to act ethically, and to take responsibility for our own behavior. Each student is responsible for knowing and understanding College policies because observance of rules and regulations is a shared responsibility. The College community expects each member to act in a manner that ensures the rights, welfare, and security of all members. The Student Handbook is published every year as a reference guide. While this information is accurate at the time of publication, the College may make necessary changes from time to time. College Policies and Procedures may be found on the College’s website. This handbook is provided to students for their general guidance only. It does not constitute a contract, either expressed or implied, and is subject to change at the College’s discretion.
Accuplacer This assessment indicates readiness for college level course placement and includes reading comprehension, numerical math, algebra, computer basics, and sentence skills. It is a multiple choice format and is untimed. Registration and payment are completed in the MYKV Student Portal.

The Accuplacer is offered throughout the year every Friday at 9 a.m. in the Learning Commons in Lunder Library, Room 127, on the Fairfield Campus. The door will close 10 minutes prior to the start of the exam (8:50 a.m.) Late arrivers will not be admitted.

TEAS (Cost: $65) The Test of Essential Academic Skills is a timed, 3 hour, multiple choice test that measures the student's ability in Reading, Math, Science, English and Language Skills. It is required for Allied Health programs — Physical Therapist Assistant, Occupational Therapy Assistant, Respiratory Therapy and Radiologic Technology.and Nursing.

Required composite scores may be found on the Admission Check List for each specific program. Registration and payment is completed in the MYKV Student Portal.

Contact: Teresa Smith, Director  
453-5082, tsmith@kvcc.me.edu  
Office, 107 Frye, Fairfield Campus  
Office, 107 Averill, Alfond Campus

Advising Services
This office can assist with course selection and creation of plan for completion of your degree. During the academic year, there are times when a student's academic advisor may be unavailable. Students may contact this office with questions or advising concerns.

Transfer Services
We can help you create a plan to continue your education after KVCC. Services include: identifying colleges, navigating the application process, and connecting with transfer personnel at 4 year institutions.

Students may also want to consider two transfer programs that are unique to the Community College System:

- **Advantage U** is a statewide program that guarantees admission to schools in the University of Maine System for students who graduate from the Liberal Studies major at one of Maine's Community Colleges. With advising from staff at both the community college and the university, students are offered a seamless pathway to a baccalaureate degree.

- **Exploring Transfer** is a five-week summer program held at Vassar College in New York. The program offers a limited number of full scholarship to eligible students from Maine's Community Colleges. Students earn transferable college credits while experiencing on-campus living in a stimulating environment with other community college students!

For many students, KVCC is just the first step in their educational journey. Students who plan to continue their education at another institution after attending KVCC may want to take advantage of the transfer assistance available from Advising and Enrollment Services.

Blackboard
Blackboard is a software tool used in online courses and as a means for enhancing course content. It is used in many courses to conduct quizzing, supply course information and to submit course work. Blackboard has a communication system (course messages) which is a separate system from the official KVCC email system.

Email Address
All students are issued a KVCC email account. If you need assistance with your email account, contact the Technology Department at 453-5079 or email the help desk at helpdesk@kvcc.me.edu

Email User Policy
The KVCC email account is the official means of communication. All community members are responsible for all information sent to their KVCC email including policy announcements, emergency notifications and event notifications, and correspondence between faculty, staff, and students. Such correspondence is mailed only to KVCC official email addresses.

Faculty, staff, and students are expected to check their email on a frequent and consistent basis in order to stay current with KVCC-related communications. Faculty, staff, and students have the responsibility to recognize that certain communications may be time-critical.

Paging Students
Please note that KVCC does not have a public address system. If there is a need to reach someone for an emergency, contact the Enrollment Center at 453-5822.

My KVCC Student Information Portal
The Portal provides access to grades, class schedules, financial information, student activities, and other important student information. Students may access the portal by logging in with their KV email username and password. If you have trouble logging into the Portal, contact the IT Helpdesk at 453-5079 or itsupport@kvcc.me.edu

School Cancellation & Text Blasting
A text messaging component for sending school cancellations, individual course cancellations and College emergency messages is available to all students. In addition to text blasting, school cancellation information is posted on the College’s website. Students may also call the main number and listen for the school cancellation message. Sign up for the text messaging service in your My KV Student Information Portal >Campus Life> My Technology.

TV Monitors and Digital Sign
Information on upcoming events and dates are displayed on the monitors. In addition to the TV monitors, a new digital sign can be found at the main entrance to the Campus in Fairfield.

Campus Emergency Notification System

In the event of a campus emergency, a variety of resources will be managed as one system in order to reach the largest collegiate and community audience concerning the nature of the event and the action required. Procedures for emergency notification, lockdown and evacuation are posted in every classroom and in open spaces on campus. This information may also be found on our website under Campus Safety and Security.

These policies and procedures can be found posted in classrooms and on our website at www.kvcc.me.edu

Campus Crime Reporting

All employees and students of KVCC are asked to report to a representative of the College any knowledge of crimes occurring on College property or property controlled (or used) by the College and/or student and employee organizations. Specific crimes covered by this policy include murder, rape, robbery, aggravated assault, sexual assault, domestic violence, hate crimes, stalking, burglary, motor vehicle theft, liquor law violations, drug abuse violations, and weapons possession. The College representative and/or student will report the crime to the Fairfield Police Department. The crimes listed above will be reported to and dealt with through standard police channels.

Campus Safety, Security & Crime Information

The annual safety, security, and crime information that complies with the Jeanne Clery Act is published each year on October 1 and is available to view online at www.kvcc.me.edu This document contains information about statistics of reported crimes that occurred on campus and on public property immediately adjacent and accessible to campus for the three previous calendar years. It also has information about crime prevention, services, the Violence against Women's Act, disciplinary procedures, and reporting policies and procedures. If you wish to receive a copy of the report, you may contact the Dean of Students at 453-5019.

Emergency (911)

In an emergency, dial 911 from a campus phone or 911 from your own phone. 453-5700 activates the College’s Emergency Response Team.

Help Desk

Technology assistance with College email accounts, online courses (Blackboard) or accessing information through the My KV Student Information Portal is available. Visit www.kvcc.me.edu/helpdesk for the hours of the Technology Department or email us at helpdesk@kvcc.me.edu

ID Card

KVCC students are issued a picture ID through the Technology Department at the beginning of their educational experience. Cost of ID card is $5.

- A student ID is required to gain access to all computer labs, to borrow library materials, and to purchase select software from the College Store.
- There are discounts at local businesses for students with a valid ID.
- A student ID may be used to make photocopies which will be charged to the student's account.
- Lost, stolen and/or damaged IDs require a $5. replacement fee be paid at the Enrollment Services Center, in the Frye Building, prior to a new student ID being issued.

Photocopying

There is a photocopier in the Campus Center in King Hall and also in Lunder Library for students to access with their ID card ($0.10 per copy). Charges are billed to your student account which you can access in your MyKV Portal.

Printing

Effective Spring Semester 2020

To reduce waste and encourage a more sustainable approach to printing, KVCC has adopted an automated solution to manage student printing.

Each student is provided a $30 credit for printing for each semester—Fall, Spring, and Summer. When a student’s $30 credit is expended during a given semester, his or her College account is charged at a rate of $.10 per black & white page, and $.45 per color page.

It is every student’s responsibility to monitor his or her printing account, and ration their quota appropriately.

Parking decals are required this year for all vehicles on campus. For safety purposes, students are asked to register their vehicles in the Portal, pick up a decal from Campus Safety and Security or the Enrollment Services Center and display the decal on the windshield of their vehicle.

The highest result of education is tolerance.”
— Helen Keller
The policies noted below are referred to most often by students. They also address important topics such as attendance, academic dishonesty and sexual harassment. The full range of College policies can be found on the website under the “ABOUT” tab.

**Academic Dishonesty**

Students at Kennebec Valley Community College are expected to be honest and forthright in their academic endeavors. Since assignments, papers, computer programs, tests and discussions of college course work are the core of the educational process, KVCC demands the strictest honesty of students in their various academic tasks. To ensure that the standards of honesty essential to meaningful academic accomplishment are maintained, the College has set forth this policy that relates to all academic endeavors on or off campus (i.e. classroom, clinical and work sites).

*The College considers the following as types of academic dishonesty:*

**CHEATING**

Is an act of deception by which a student misrepresents that he/she has mastered information on an academic exercise that he/she has not mastered.

*Examples of cheating may include:*

- Copying from another student's test paper.
  - Allowing another student to copy from a test paper.
  - Using the course textbook or other material such as a notebook brought to a class meeting, but not authorized for use during the test.
- Collaborating during a test with any other person by giving or receiving information without authority.
- Using specifically prepared materials during a test, (e.g., notes, formula lists, notes written on the student’s clothing, etc.).

**FABRICATION**

Fabrication is the intentional use of invented information or the falsification of research or other findings with the intent to deceive.

*Examples of fabrication include:*

- Citing information not taken from the source indicated.
- Listing sources in a bibliography not used in the academic exercise.
- Inventing data or course information for research or other academic exercises.
- Submitting, as your own, any academic exercises (e.g. written work, computer work, etc.) prepared totally or in part by another.
- Taking a test for someone else or permitting someone else to take a test for you.
PLAGIARISM

Plagiarism is the presentation of someone else’s words, ideas, or data as one’s own work. When a student submits work for credit that includes the words, ideas, or data of others, the source of that information must be acknowledged through complete, accurate and specific citation of sources in endnotes or footnotes. If verbatim statements are included, they must be set off by quotation marks. By placing his/her name on work submitted for credit, the student certifies the originality of all work not otherwise identified by appropriate acknowledgments. A student will avoid being charged with plagiarism if there is an acknowledgment of indebtedness.

ACADEMIC DISHONESTY PROCEDURES

If an instructor can reasonably demonstrate that a student violated the policy on academic dishonesty, the faculty member shall immediately inform the student and discuss the circumstances.

The department chair shall determine that:

• no further action is necessary; or

• required work will be resubmitted with appropriate changes; or

• the student will receive a failing grade in the work submitted on the assignment; or

In the case of a repeated offense, cheating on a final examination and/or plagiarism on a major project, the instructor will notify the department chair, the Academic Dean and the student of the intent to fail that student in the course for which the work was done. Documentation supporting the charge is to be available upon request by the parties concerned. The Academic Dean, having been informed of the case may decide to suspend or expel the student. The Academic Dean will inform the student(s) in writing of this decision.

ACADEMIC DISHONESTY APPEAL PROCESS

A student may appeal a decision of expulsion or suspension from the College. The student will have ten (10) days to appeal, in writing, a decision to suspend or expel. If the student decides to appeal the decision of the Academic Dean in cases dealing with suspension or expulsion from the College, the Academic Dean shall convene a review committee consisting of three faculty members (two from the department involved) and two students. The committee shall invite the student and the instructor to address the suspension or expulsion but shall deliberate in private. If the review committee is convened, it shall make a written report to the Academic Dean. The report may recommend a sanction. The Academic Dean shall make the final decision regarding sanction and shall inform the student immediately.

Academic Grievance

When a question or difference arises between a faculty member and a student concerning a final grade, the following procedure will be followed:

1. Within one week of receiving a grade, the student must make an appointment and meet with the faculty member involved to discuss the action, bringing any relevant materials such as course outline, originals, or copies of papers, lab reports, themes, and examination grades.

2. Within one week of meeting with the faculty member, if not satisfied at Step 1, the student must write a statement describing the exact nature of the appeal to the chair of the department responsible for the course in order to appeal the action. It is the student’s responsibility to bring all relevant evidence in his or her possession to the Department Chair. If some materials needed as evidence have not been returned by the faculty member during the semester or are unavailable, it is incumbent upon the student to request that the Department Chair secure such evidence prior to the meeting. The Department Chair will meet with the student within three days of receipt of written statement. If the grading faculty member is still employed by the College, the Chair’s authority is limited to reviewing the evidence and advising the faculty member (within three days of meeting with the student) that a grade change may be in order. The student will be notified on the following day. If the faculty member is no longer employed, the Chair may recommend a change of grade. Such a recommendation is submitted and then reviewed by the Academic Standards Committee for final action within three days. The student will be informed that day.
3. Within one week of meeting with the Department Chair, if the student is not satisfied with the action of the Department Chair and still wishes to pursue the matter, then the student must make an appointment to discuss the action with the Academic Dean. The student and the Academic Dean will meet within three days of the student's request for an appointment. The Academic Dean will meet within three days with at least one member of the Academic Standards Committee to decide whether or not there is enough evidence to call a meeting of the Committee for the purpose of holding a hearing. The Dean then advises the student and committee members the next day as to whether or not a hearing will be held. The Committee will meet within one week of notification to the student. If such a hearing is to take place, all parties involved are notified at least one week in advance. In this notification, the student is advised as to the rules and procedures to be employed during the hearing. The student must be present and must bring all evidence pertaining to the grade to this meeting. The Committee may also request that the faculty member be present. The Committee's decision is forwarded to the Academic Dean the following day. The Academic Dean informs the student in writing of the decision and all conditions within three days. The decision by the Committee is final.

**Academic Probation and Dismissal**

**ACADEMIC PROBATION**

Academic Probation is a means of alerting students who are in academic jeopardy that they must show academic improvement in order to remain matriculated in their current program of study. Any student placed on probation must receive a GPA of at least 2.0 during the next semester or risk academic dismissal. Dismissed students may appeal to the Academic Dean. Probationary status is removed once students earn grades of good standing. Students are placed on academic probation if their cumulative grade point average falls into one of the following ranges:

**Cumulative grade point average of:**
- No probationary status assigned for 1-5 credit hours;
- GPA of .50 to 1.50 for 6 to 11 attempted credit hours;
- GPA of 1.51 to 1.74 for 12 to 23 attempted credit hours;
- GPA of 1.75 to 1.90 for 24 to 35 attempted credit hours; or
- GPA of 1.91 to 1.99 for 36 or more attempted credit hours.

Students placed on probation will receive written notification of their probationary status. In addition, the student's permanent record will carry the words “Academic Probation.” Students must have at least a 2.0 Cumulative Grade Point Average to graduate. Students in some programs, including Allied Health programs and Nursing, have specific requirements for good academic standing. Refer to individual program policies for those grade requirements. No student will be allowed more than two consecutive probation semesters.

**ACADEMIC DISMISSAL**

Matriculated students will be dismissed for failure to earn the minimum acceptable cumulative grade point average, as follows:

**Cumulative grade point average of:**
- GPA of .5 or less for 6 to 11 attempted credit hours;
- GPA of 1.50 or less for 12 to 23 attempted credit hours;
- GPA of 1.74 or less for 24 to 35 attempted credit hours;
- GPA of 1.90 or less for 36 to 47 attempted credit hours; and
- GPA of 1.99 or less for 48 attempted credit hours to end of program.

Dismissed students will receive written notification of their dismissal. Students may appeal the dismissal decision, in writing, to the Vice President/Academic Dean. The appeal will be presented to the Academic Standards Committee. If the appeal is granted, the student will be placed on “Academic Probation” for the next semester. If
the appeal is not granted, the student may repeat failed courses as a non-matriculated student. After successful completion of those courses, the student may reapply to his/her program. If dismissed the student's permanent record will carry the words “Academic Dismissal.” No student will be allowed more than two consecutive probation semesters.

Add/Drop and Withdrawal

There are specific times during a semester when a student may add, drop or withdraw from a course. These dates are published in the College’s Academic Calendar, are noted in the Student Handbook and on the College’s website.

ADDITION AND DROPPING A COURSE:

Courses may be added and/or dropped during the first six (6) business days of a semester on a space available basis.

- To drop a course, students must see an academic advisor.
- Students who do not officially drop or withdraw from a course(s) assume all academic consequences and the financial obligation for tuition and fees.
- Non-attendance in classes is not considered a drop or a withdrawal and jeopardizes the student’s academic record and eligibility for refunds or financial aid. Students who stop attending classes will receive a grade of “F.” This grade will be figured into the grade point average (GPA).

WITHDRAWAL FROM A COURSE through the 12th Week of a Semester

A student may withdraw from a course only during the semester in which he/she is registered for a specific course. The withdrawal period extends from the beginning of the second week (end of the drop period) in a semester through the twelfth week of fall and spring semesters.

- Summer sessions vary in length and these dates are not applicable. Contact the Academic Affairs Office in the Enrollment Center for specific information regarding the appropriate withdrawal dates for summer sessions.
- Students are encouraged to discuss a withdrawal with their Academic Advisor as it may impact their progression through an academic program.
- A grade of “W” will appear on a student’s transcript and will not be used to calculate a student's grade point average (GPA).
- There will be financial consequences associated with withdrawing during this time frame. Students should contact Financial Aid (if the student receives aid), and the Business Office for specific information regarding the withdrawal.
- A withdrawal from a course is counted as a course attempted but not completed, and will adversely impact satisfactory progress as defined by the KVCC Financial Aid Satisfactory Academic Policy. This, in turn, can have adverse financial aid consequences. When withdrawing from a course, students receiving aid should contact the Financial Aid Office to discuss the financial consequences and the impact this withdrawal will have on satisfactory academic progress. After the 12th week of a semester in extraordinary circumstances, a withdrawal from a semester may be granted after the twelfth (12th) week in a semester, and a grade of “W” will appear on the student’s transcript. It will not impact the student's grade point average (GPA).
- An extraordinary circumstance may involve a serious medical condition, serious illness for student or student's family, or the death of a family member. Documentation must be provided. Students requesting withdrawal status after the 12th week in a semester will be referred to the Dean of Students, Enrollment Services Center, Frye Building. A Special Request Form is completed, the last date of attendance is recorded, written documentation is gathered, and faculty is notified. The student must make this request for special circumstance withdrawal within 10 business days from the close of the current semester or summer session.
• The form and all accompanying documents will be forwarded to the Academic Dean for consideration.
• There will not be a refund of tuition or fees.

GRIEVANCE PROCEDURE

• Should the request for withdrawal be denied, the student will be notified in writing by the Academic Dean.
• If a student receives a denial to their request to withdraw from a course(s) in a given semester, the student must, within 10 days, respond in writing to the Academic Dean. The Academic Dean will present the Special Request Form, supporting documentation, and the letter from the student to the Academic Standards Committee for consideration. The student may be asked to attend the Academic Standards Committee meeting to clarify information. The student will be notified in writing of the decision of this Committee. The findings of this Committee are final.

Service Animals

Service dogs are the only animals that may be brought by a student or member of the public onto a KVCC campus. A “service animal” is a dog that is individually trained to do work or perform tasks for the benefit of an individual with a physical or mental disability. The work or tasks performed by a service animal must be directly related to the individual’s disability. Examples of such work or tasks include, but are not limited to, assisting an individual who is deaf or hard of hearing to the presence of people or sounds, providing nonviolent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting an individual to the presence of allergens, retrieving items such as medicine or a telephone, providing physical support and assistance with balance and stability to an individual with a mobility disorder, and helping a person with a psychiatric or neurological disability by preventing or interrupting impulsive or destructive behaviors.

Service animals are permitted when the animal has been registered with the Dean of Students unless it is readily apparent from observation that the animal performs work or tasks related to its handler’s disability. When it is not readily apparent what service the animal provides, the student requesting permission to have a service animal on campus must provide a letter from a credible, certified medical provider which: a) substantiates that the animal is required because of a disability and b) describes the work or task that the animal has been trained to perform. The letter must be dated and on letterhead.

Service animals must be well-behaved, clean, leashed and under control of the handler at all times. Service animals may not be left unattended while on campus. Service animals brought to campus must also be in compliance with applicable licensing laws and up to date on immunizations.

Attendance

Students are expected to attend all classes, lab periods, and field work sessions regularly and to arrive promptly. The faculty and Administration of KVCC believe that excessive, unexcused absenteeism or tardiness reflects directly upon the reliability of a student and can be an indicator of how the student will perform on the job after graduation. The design of programs at the College renders lost time virtually impossible to make up. For these reasons, the College has adopted the following policy:

• Each faculty member takes attendance and keeps records, and reports absences after each class meeting.
• Faculty have individual attendance policies. Check each course syllabus.
• If absent, it is the student’s obligation to check with the instructor on the first day back for any work missed or to be made up.
• If a person experiences a major illness requiring an absence of several weeks, he/she may be unable to complete their course(s). It is imperative that the student (or his/her designee) notify the instructor.
• If a faculty member or a substitute is not present fifteen minutes after the scheduled beginning time, class will be cancelled. When a faculty member is not present, students should report this absence to the Academic Affairs Office, Enrollment Services Center.
Dean's List

A Dean's List shall be prepared at the end of the Fall and Spring semesters. The list shall be comprised of the names of matriculated students registered for 9 or more credit hours whose GPA is 3.50 or higher for that semester. Students who are deficient (including Incomplete) in a course or who are auditing a course are not included on the Dean’s List.

Payment Plans

ELIGIBLE STUDENTS

Any matriculated student who:

A. is enrolled in a minimum of six (6) credit hours per semester;
B. have not been awarded financial aid and who does not have a sponsor paying his/her share.

PAYMENT PROCEDURE EACH SEMESTER Textbooks and related materials are not included in the deferred payment plan. The plan requires that 25% of all charges be paid when signing the agreement. The remainder of the charges will be divided into three equal payments and are due at 30 day intervals.

SPECIAL NOTES: A processing fee of $25 per semester will be assessed and payable on the first day of class. Failure to make timely payments may result in Administrative Dismissal. Any exceptions to this policy must be approved in writing by the President of the College or his/her designee. If a student has only applied for Financial Aid, the payment plan is in effect. Upon award of financial aid, students do not have to make remaining payments. The Student Payment Plan Form must be completed.

Sexual Harassment

Kennebec Valley Community College (KVCC) has an obligation to its students and employees to maintain a working and learning environment free from sexual harassment or harassment of any kind, including intimidation or hostility based on race, color, gender, religion, national origin, military status, age, or physical or mental disability. The existence of such harassment is counter to College policy and is illegal and subject to disciplinary action, up to and including dismissal.

Sexual harassment consists of verbal (oral or written) or physical conduct of a sexual nature when submission to such conduct is either explicitly or implicitly a term or condition of an individual’s employment or educational benefits; or submission to or rejection of such conduct is a basis for an academic or employment decision affecting the individual; or such conduct has the purpose or effect of substantially interfering with an individual’s academic or work performance; or creating an intimidating, hostile, or offensive educational, work or living environment; and such conduct was either known by the actor to be unwelcome, harmful, or offensive; or a person of reasonable sensibilities would have clearly understood such conduct to be unwelcome, harmful, or offensive.

Other illegal harassment consists of deliberate or repeated unsolicited and unwelcome comments on the basis of race, color, sex, national origin, religion, age, or physical or mental disability of such a nature as to create an offensive, hostile, or intimidating work or learning environment.

Managers, supervisors, and instructors are required to actively prevent and eliminate sexual harassment and all other forms of illegal harassment within their areas of responsibility. As well, each employee will be held personally responsible for compliance with these policies. Prompt and remedial action will be taken upon discovery of harassment.

If a student, employee, or any other person believes he or she has been the subject of sexual harassment, the grievance process is a mechanism for redress. All grievants must contact the Affirmative Action Officer to proceed under the Affirmative Action Policy’s Grievance and Hearing Procedure. Contact the Dean of Students at 453-5117. Reasonable efforts will be made to maintain confidentiality.
**Student Accident Insurance**

Student Accident Insurance is required for all students enrolled in an academic program. An annual premium of $16.00 is assessed to the student’s account. Coverage is effective on August 15, 2019 and expires on August 15, 2020. A brochure that outlines the details and coverage is available in the Enrollment Center, in the MYKV Portal, and on the Cross Insurance Agency’s webpage at www.crossagency.com/kvcc. Students may not waive this insurance.

**Tobacco Policy**

The college/university has a 100% smoke and tobacco-free campus policy that prohibits all smoking and use of all tobacco products including cigarettes, electronic smoking devices, smokeless tobacco and pipes, except within the confines of enclosed personal vehicles.

The sale, advertisement, promotion and/or free distribution of all tobacco products, including electronic smoking devices and paraphernalia, is prohibited at all times.

The intent of this Tobacco Policy is to eliminate exposure to second-hand smoke, provide an environment supportive of tobacco-free lifestyles, eliminate the risk of accidental fire, eliminate the health risks associated with expectoration from smokeless tobacco, and eliminate the environmental impact of cigarette litter. Violations of this policy will be handled through the established disciplinary procedures for employees and the Student Code of Conduct for students.

Kennebec Valley Community College (KVCC) joins with the American College Health Association (ACHA) in supporting the findings of the Surgeon General that tobacco use in any form, active and passive, is a significant health hazard. KVCC further recognizes that second-hand smoke has been classified as a Group A carcinogen by the United States Environmental Protection Agency. KVCC acknowledges the Centers for Disease Control and Prevention (CDC) statistics that 70% of all smokers report that they want to quit smoking completely.

**Definitions and Clarifications:**

- “Smoking and use of tobacco” is defined as the smoking or use of all tobacco products, including but not limited to cigarettes, cigars, pipes, spit and smokeless tobacco, chew, snuff, snus and all nicotine delivery devices that are non-FDA approved as cessation products.

- “Vape products” is defined but not limited to nicotine and non-nicotine electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems.

- “The confines of enclosed personal vehicles” does not include open air vehicles such as motorcycles, open convertibles or the bed or back end of a pick-up truck.

**Weapons on Campus**

To minimize the chance of violence on Kennebec Valley Community College campuses, employees, students, and guests are not permitted to bring any weapons on to College property. A weapon is defined as any item or combination of items or instrument used for offensive or defensive combat or other means of contending against another individual or individuals. This policy serves to minimize any intended or unintended harm to any person on KVCC properties.
The purpose of the Student Code of Conduct is to establish an atmosphere of mutual respect. The Code contains a set of principles and guidelines that define how students are expected to interact with one another. The Code applies to all students, clubs & organizations including events sponsored by the College yet occurring off campus.

I. PURPOSE OF CODE
The College requires students to conduct their affairs with proper regard and mutual respect for the College and the members of its community. In seeking to encourage responsible conduct, the College will rely upon counseling and admonition. When necessary, the College will use this Code in a prompt, fair and impartial manner to: 1) ensure the orderly administration of the College’s academic, athletic and social offerings; 2) secure the opportunity of all students to pursue peacefully their educational objectives; 3) protect the health, safety and welfare of the College and the members of its community; and 4) maintain and protect the real and personal property of the College and the members of its community.

This Code applies in addition to other College and System policies and regulations, local ordinances, and state and federal laws. Students whose conduct violates those authorities may also be subject to their sanctions and penalties. Finally, the Residence Hall Agreement between a student and the College imposes similar but additional responsibilities and obligations, and students whose conduct violates both that Agreement and this Code may be disciplined by the College under either or both.

This Code applies to students and to organizations that are student organizations at the time of the alleged conduct. Students and student organizations are also responsible for the conduct of their guests, and this Code may be invoked against students and student organizations whose guests violate the Code. When a student is alleged to have violated the Code at a College other than the College in which the student is enrolled, the violation will be referred for disposition to the student’s campus of enrollment.

1) involves the real property owned, occupied or otherwise used by the College;
2) involves the personal property owned, occupied or used by the College community;

Allegations of plagiarism, cheating and other forms of academic misconduct shall first be handled pursuant the MCCS policies on academic misconduct and/or student issues arising at clinical
affiliates which provide(s) for specific procedures and sanctions. Once the procedures and sanctions of those policies have been applied, the provisions of this Code shall apply.

Conduct that disregards the welfare, health or safety of the College community, which includes, but is not limited to: 1) assault, harassment or intimidation; 2) false reports of fire or other dangerous conditions; 3) unauthorized use or possession of weapons, explosive components or chemicals, including fireworks, firearms, explosives, gas or compressed air; 4) disturbing authorized activities or the peaceful operation of the College; 5) use, possession, sale or distribution of alcoholic beverages or drugs as prohibited by law or College policy; 6) being under the influence or knowingly in the presence of drugs or alcohol while on College property or at College related events; 7) action prohibited by health or safety regulations; 8) creation of a fire hazard or other dangerous condition; 9) restriction of vehicular or pedestrian traffic flow into or out of College property or facilities; 10) action that produces mental or physical discomfort, embarrassment, harassment or ridicule to any member of the College community; 11) intentionally placing a person or persons in reasonable fear of physical harm; 12) lewd or indecent behavior; 13) tampering with fire or safety equipment; 14) parking violations; 15) disobeying the lawful order of College personnel; and/ or 16) any other conduct that threatens or endangers the health or safety of one’s self or others.

The Dean of Students may suspend immediately a student if the Dean determines that the student’s presence at the College poses an imminent threat of harm to self or others, or to property in the College community. Such suspension shall take effect when so designated and may not be stayed pending appeal unless otherwise determined by the College President.

V. PROCEDURE

A. General

In applying the provisions of this Code, MCCS accords students alleged to have violated this Code the following opportunities. First, students have the
opportunities to be advised of the charges and the nature of the evidence against them, and be heard before an impartial decision-maker. Second, students have the opportunities to have sanctions based on substantial evidence (a standard of “more probable than not”); the decision explained in writing; and, in a Stage Two proceeding, have questions asked of opposing witnesses. Finally, students have the opportunities to be assisted by a person who may observe the proceeding and advise the student, but who may not speak on behalf of the student or otherwise participate in the proceeding. In cases where suspension or dismissal is likely or where criminal charges are pending, such an assistant may be an attorney, but such an attorney shall not be at the college’s expense.

B. Stage One

The College Dean of Students (“Dean”) and/or Disciplinary Officer (“Officer”) (collectively “Investigator”) shall investigate alleged violations of this Code. Such inquiries shall include notice to the student of the: 1) complaint; 2) Code sections that may have been violated; and 3) possible sanctions that may be imposed. The student shall be given an opportunity to be interviewed.

The Investigator may consider any information that the Investigator believes may be relevant and reliable information in determining whether it is more probable than not that the alleged conduct occurred, and that such conduct violated the Code. Upon concluding the inquiry, the Investigator shall notify the student in writing of the Investigator’s findings of fact, Code provision(s) violated, if any, and a sanction(s), if any. The Investigator’s decision shall take effect when so noted. Sanctions, other than interim suspension, may, in the discretion of the Dean, be stayed during any appeal. The Dean, but not an Officer, may at this stage impose a sanction of dismissal or suspension.

C. Stage Two

A student who does not accept discipline imposed at Stage One may request a Stage Two proceeding. A person materially affected by the alleged Code violation (such as the victim of the alleged conduct) may request a Stage Two proceeding in order to review a Disciplinary Officer’s decision either to dismiss or impose a relatively low sanction in the case.

1. Request

A request for a Stage Two proceeding must be submitted in writing to the Dean within two (2) school days following the day the student receives the Investigator’s written decision, and must state specifically the grounds for the request. A student who fails to file a proper and timely request may be deemed to have waived the right.

2. Committee

A Stage Two proceeding shall be heard by a Disciplinary Committee (“Committee”) which shall consist of at least three and not more than five members, each appointed by the College President. At least one member should be a faculty member and one member may be a student. The President shall appoint a Chair.

3. Hearing

After receiving the student’s request, the Committee Chair shall notify the student, Dean and/or Officer of the time and location for the hearing. A hearing shall be held as soon as practical and shall proceed as follows: The Committee Chair shall preside; the Dean and/or Officer will present the charges, information and findings against the student; the student will respond to the case presented by the Dean and/or Officer; and the Dean and/or Officer and student may then each summarize orally their position.

All or a portion of the hearing may, at the discretion of the Committee, be closed to persons other than those recognized by the Chair. If a student does not attend the hearing, the Committee may commence the hearing or continue the hearing to a later time or date. Only the members of the Committee may pose questions to the witnesses or parties. The Committee is not bound by court rules of evidence or procedure.

4. Decision

The Committee will convene in closed session to find facts and determine any Code violation(s). The Committee may consider any relevant and reliable information in determining whether it is more probable than not that the alleged conduct occurred, and that such conduct violated the Code. The Committee is not bound by the Investigator’s findings and sanctions. The Committee may impose any appropriate sanction up to and including dismissal. Disciplinary sanctions imposed by the Committee take effect immediately unless otherwise specified. A majority of Committee members present and voting will prevail.
**D. Stage Three**

A student may appeal to the College President only a Committee sanction of suspension or dismissal from the College. Such appeal must be submitted in writing to the President within two (2) school days following the day when the student receives the Committee’s written decision, and must state specifically the grounds for appeal. Such appeals shall be limited to the Committee’s procedures and the appropriateness of the sanction. A student who fails to file a proper and timely appeal may be deemed to have waived the right to appeal. The President may also grant a request by a person materially affected by the alleged Code violation to review a decision of the Disciplinary Committee to dismiss a case or to impose a relatively low sanction. In all cases, the President shall issue a written decision as soon as practical after the hearing. The President is not bound by the decisions of either the Investigator or Committee.

**VI. NOTICE AND RECEIPT OF NOTICE**

A College may provide a notice under this Code to a student either in person or to the student’s most recent electronic, campus or U.S. mail address on file at the College. A student will be deemed to have received such notice immediately when informed in person; within 24 hours when notified by electronic or campus mail; and within 72 hours of the date of mailing when notified by U.S. mail. In all instances, a student has an affirmative duty to remain in contact with the College while a matter is pending under this Code.

**VII. COORDINATION OF THIS CODE WITH THE MCCS POLICY ON SPECIAL CONDITIONS**

When the student conduct at issue involves “special circumstances” as described in MCCS Policy 504, the College may seek guidance from the provisions of that policy.

**VIII. CERTAIN ATHLETIC DETERMINATIONS**

The provisions of this Code apply to misconduct related to participation in athletics. The procedures of this Code do not, however, apply determinations of whether a student may be a member of, or receive playing time for, a college athletic team because the student has engaged in conduct detrimental to the team. Those determinations shall be made by the coach, provided that the affected student may appeal the coach’s decision to the College Dean of Students. For purposes of this provision, “conduct detrimental to the team” includes, but is not limited to, conduct that is unsportsmanlike to fans, officials or opposing coaches or players; disruptive to practices and other team events; brings disruption or disrepute to the team through misconduct or violations of law, College or System policy; or is otherwise contrary to the principles taught through athletic competition, such as reliability, diligence, commitment, teamwork and the willingness to take seriously the duty to represent the College honorably during competition. Each College may adopt a more specific definition of “conduct detrimental to the team” that furthers the educational purposes of athletic competition.

**IX. TRAFFIC VIOLATIONS**

A student violation of a rule governing a moving, parked or standing vehicle on property owned, operated or under the control of the MCCS shall be processed under this Code only if the sanction sought by a college is suspension or expulsion from college for that violation. In all other cases, a college shall provide a process that permits a student an informal opportunity to contest the alleged violation before a person designated by the college to hear such contests.

**X. DEFINITIONS**

The following terms have the following meanings when used in this Student Code of Conduct, unless the context indicates otherwise:

“**Code**” means this Student Code of Conduct;

“**College**” means a college of the Maine Community College System; “**College Activity**” means an activity under the auspices of the College, including activities of students and student organizations; “**College Community**” means any person or organization that attends, performs services for, is employed by, visits or otherwise uses the College; “**College Personnel**” means any instructor, administrator, employee, committee or contractor of the College or System; “**Course**” means any class of instruction, regardless of credit, offered by the College; “**President**” means a College President; “**Property**” means the real and personal property controlled through ownership, rental, charter or other means by the System, College, State of Maine or a member of the College Community. “**Property**” includes written documents and computer programs, files and resources; “**School Day**” means a day that the College is open for instruction; “**Student Organization**” means an
organization that acts or purports to act for a student in matters regarding the College; and “System” means the Maine Community College System.

DATE ADOPTED: June 24, 2009

DATE(S) AMENDED: April 28, 2010; June 22, 2011; May 3, 2013; June 25, 2014; June 21, 2017
The purpose of this policy is to define and proscribe non-consensual sexual activities between students. Questions, concerns or reporting of behaviors that involve consensual activities must be reported to the Dean of Students.

A. INTRODUCTION
Certain sexual activities can produce emotional and physical distress and constitute violations of criminal law. Other sexual activities can produce significant regrets or misunderstandings. The purposes of this procedure are to notify students of their responsibilities when engaging in sexual activities, and to protect students from those who do not meet these responsibilities. This procedure supplements the MCCS Student Code of Conduct ("Code") by defining the nonconsensual sexual activities that constitute violations of the Code; explaining the procedures that will apply to the handling of such alleged violations; and providing important additional information to all students. The intention is to inform students in detail of their responsibilities under the Code, and to assist the Colleges in investigating and resolving cases alleging such violations.

B. PERSONAL RESPONSIBILITIES
In addition to the responsibilities students have under the Code of Conduct and this procedure, students are strongly advised to heed numerous other personal responsibilities. In order to avoid the problems identified above, as well as problems related to unwanted pregnancies, sexually transmitted diseases and other personal difficulties, all students are advised to:

1. Pursue or permit sexual activities of any kind only with a person with whom there is an established relationship;
2. Pursue or permit sexual activities of any kind only while not under the influence of drugs or alcohol; and
3. Communicate expressly, at the time of possible sexual activities, their respective desire, comfort and clear agreement to engage in any sexual activities at such time, and communicate the specific activities to which they consent.

C. DEFINITIONS
For purposes of this procedure, the following terms have the following meanings.

1. “Reliable Consent” means a person’s:
   a. Voluntary agreement;
   b. Communicated by words;
   c. At the time of the sexual activity;
   d. To engage in each of the sexual activities at issue in a given case.

   Such agreement must be expressly requested and, if given, expressly stated. Current agreement must not be assumed or inferred from previous instances when reliable consent was given by the Complainant. Agreement from a person who is visibly intoxicated or otherwise impaired shall not be regarded as reliable consent. Agreement to engage in one sexual activity (such as a touching) is not agreement to engage in a different sexual activity (such as an act). Agreement can be withdrawn at any time and, if so withdrawn, the sexual activity shall stop.

2. “Acquiescence” means a person’s submission to engaging in one or more sexual activities without communicating either an express verbal agreement or an express physical or verbal objection.

3. “Sexual misconduct” means the following where there is no reliable consent:
   a. “Sexual touching,” which means any intentional touching of the breasts, buttocks, groin or inner thigh, directly or through clothing, and for the purpose of arousing or gratifying sexual desire; or
b. “Sexual contact,” which means any intentional touching of the genitals or anus, directly or through clothing, other than as would constitute a sexual act, for the purpose of arousing or gratifying sexual desire or for the purpose of causing bodily injury or offensive physical contact; or
c. “Sexual act,” which means any intentional act done for the purpose of arousing or gratifying sexual desire when that act involves direct physical contact between the:
   1) Genitals of one and the mouth or anus of another; or
   2) Genitals of one and the genitals of another; or
   3) Genitals or anus of one and an instrument or device manipulated by another person.

4. “Sexual assault” means any sexual misconduct as defined above where, at the time of the sexual activity, the Complainant:
   a. Expressly communicated by words or physical act(s) a timely objection; or
   b. Was visibly intoxicated or otherwise visibly impaired; or
   c. Was unconscious, incapacitated, or otherwise unaware that sexual activity was occurring or about to occur; or
   d. Was placed in reasonable fear of physical injury or other harm because of the Respondent’s use or threatened use of physical force or other harm.

5. “Complainant” means a person who believes he or she experienced sexual misconduct or assault by student.

6. “Respondent” means a student accused of sexual misconduct or assault.

7. “Retaliation” means pressuring a person to drop or support a complaint or to provide false or misleading information; pressuring a person to participate or refrain from participating as a witness in a proceeding; or engaging in conduct that may reasonably be perceived to affect adversely that person’s educational, living, or work environment for making a good-faith report or participating in good faith in an investigation.

D. PROHIBITED CONDUCT

It is a violation of the Student Code of Conduct for a student to intentionally engage in sexual misconduct or sexual assault, or to retaliate against a person who in good faith reports or participates in an investigation under this procedure. A student may be found responsible for retaliation even if not found responsible for the underlying alleged sexual misconduct or assault.

E. REPORTS TO A COLLEGE

1. When to Report.

Students are advised to report allegations of sexual misconduct or sexual assault immediately or as soon as possible.

To ensure the most prompt response, reports should be given to the Dean of Students and/or Enrollment Services. Any other employee who receives such a report shall immediately share the report with the Dean of Student and/or Enrollment Services.

A complaint may be made orally or in writing, and should be as specific as possible. A report should disclose the identity of the person(s) alleged to have engaged in the sexual misconduct or sexual assault, and the location(s), date(s) and description of the alleged acts. A College cannot take complaints “off the record.” Once a College receives such information, it has a duty to investigate and possibly take action even if, at the time of the complaint, the Complainant does not want the College to do either. Unless the Complainant signs a written statement specifying withdrawal of the complaint, the Complainant may not be deemed to have withdrawn her or his complaint.

4. False Reports.

It is a violation of the Code for any student to intentionally file a report of any kind with a College official when the student knows that such report, by fabrication or material embellishment, is false.
F. INFORMATION PROVIDED TO A COMPLAINANT AT THE TIME OF A REPORT

At the time of a report to the Dean of Student and/or Enrollment Services, the College shall provide to the Complainant a copy, or hypertext links to copies, of the Code, this Procedure and the Appendices to this Procedure. Students are hereby advised of the following:

1. Preserving Evidence. It is important to preserve physical evidence in order to help prove a criminal sexual assault, stalking, domestic violence, other acts of violence occurring within a dating relationship, or to help obtain a protective order;

2. Confidentiality. The College uses best efforts to protect the confidentiality of the identity and allegations involved in a report, including keeping all records confidential to the extent permissible by law. Information regarding sexual misconduct or assault reports, and any investigation or review of those reports, including sanctioning determinations, will be shared among College officials with a legitimate educational interest or with external individuals or entities only on a need-to-know basis and only as permitted by College policy and applicable law. A College will be required to disclose the Complainant’s name, statements and allegations to the Respondent. A College may choose to comment publicly, in writing or otherwise, to the extent permitted by law, regarding the decision reached if, in the judgment of the College, the best interests of the community would be served by such a disclosure. If possible and appropriate, the anonymity of the student(s) involved will be protected;

3. Counseling, Health and Mental Health Services. Counseling, health and mental health support services are available either on campus or in the area. A list of such services is attached in the Appendix to this procedure;

4. Law Enforcement. The complainant has the right to contact, and file a criminal complaint with, the police. A list of such authorities is attached in the Appendix. The police can advise and assist with the Complainant’s option to request from a court that a temporary or permanent restraining order, or other protection or no contact order be issued against an alleged offender; and

5. Victim Advocacy and Legal Assistance Services. Victim advocacy and legal assistance services are also available. A list of such services is attached in the Appendix.

G. INVESTIGATIONS

The College shall use the Code of Conduct in conducting an investigation of reports or allegations of sexual misconduct or sexual assault.

H. INTERIM STEPS

While an Investigation is Conducted A College shall consider what interim steps, if any, should be taken until the investigation and findings are complete. Such steps include, for example, changing the affected student(s) academic, living, transportation, and working situations if requested and reasonably available.

I. PARTICIPATION DURING PROCEEDINGS CONSISTENT WITH THE CODE

Both the Complainant and the Respondent shall have the same opportunity to have others present during internal disciplinary proceedings, including the opportunity to be accompanied to related meetings by an advisor of their choice.

J. OUTCOMES

At the time that the College makes its final findings, the College shall in writing notify simultaneously the Complainant and Respondent of:

1. Whether the Respondent was found to violate the Code and, if so, the provisions violated and discipline imposed; and

2. The Respondent’s and Complainant’s rights under the Code to appeal the findings and any discipline.

K. DISCIPLINE

A violation of this procedure shall result in discipline under the Code. Because of the wide range that can exist between cases of violent misconduct and cases of poor communication, the following guidelines shall assist Colleges in determining the appropriate discipline for each case.

1. Sexual Assault vs. Sexual Misconduct. Findings of sexual assault shall be regarded as more severe than findings of sexual misconduct.

2. Types of Sexual Misconduct. Findings of a sexual act shall be regarded as a more severe form of sexual misconduct than findings of sexual contact,
and findings of sexual contact shall be regarded as a more severe form of sexual misconduct than findings of sexual touching.

3. Cases of Acquiescence. Findings that a student did not obtain express verbal agreement and instead relied upon mere acquiescence shall be regarded as important but less severe than cases involving sexual assault.

4. Repeat Violators. Findings that a student was previously found responsible for sexual misconduct or sexual assault shall be regarded as more severe than a first offender.

L. RETALIATION

The College will take appropriate steps to ensure that a person who in good faith reports or participates in an investigation under this procedure will not be subjected to retaliation by the Respondent or others. Anyone who has experienced retaliation is strongly encouraged to report that concern using the procedures in Section C above.

M. PROTECTIVE ORDERS

Complainants have the right to request from a court that a temporary or permanent restraining order, or other protection or no-contact order be issued against an alleged offender. Only the police, and not College security, have the authority to enforce such an order by arresting a person who violates the order. The Complainant should, therefore, promptly inform the Dean of Student and/or Enrollment Services if such an order is obtained so that the College may be better prepared to more promptly contact the police if necessary.

N. PRIMARY AUTHORITY AND ANNUAL TRAINING

The Dean of Student and/or Enrollment Services at each college shall have primary responsibility for overseeing the application of this procedure. The Deans shall ensure that Disciplinary Officers, Resident Directors, Resident Assistants, Disciplinary Committee Members and other pertinent employees are annually informed about this procedure. The Deans shall further consult with the MCCS General or Assistant Counsel on questions arising under, or recommendations to improve, this procedure.

O. OTHER

Nothing in this procedure shall be construed to confer a private right of action upon any person to enforce the provisions of this procedure.

P. APPENDICES

The Appendix of services and authorities referenced in Section F above is attached to this procedure.

The purpose of this policy is to establish a procedure for each College when receiving and investigating student, employee, applicant and any other complaints regarding discrimination, harassment, sexual harassment and affirmative action.

I. INTRODUCTION
Harassment, including sexual harassment, (hereinafter collectively called “harassment”) and discrimination (including retaliation, intimidation and coercion) on the basis of race, color, national origin, age, ancestry, genetic information, sex, religion, veteran status, sexual orientation, familial status and disability (hereinafter called “discrimination”) are a violation of certain federal and/or state laws, as well as certain Maine Community College System (“MCCS”) and College policies. In addition, federal and/or state law require in some, and permit in other, instances the MCCS and Colleges to engage in affirmative action in its educational and employment activities. This document establishes the Procedure for each College in receiving and investigating complaints brought by a student, employee, applicant or any other person (hereinafter the “complainant”) that allege harassment or discrimination by a College student, employee, contractor or other agent (hereinafter the “respondent”). This Procedure also applies to complaints regarding the College’s use of affirmative action which, for purposes of this Procedure, shall be processed in the same manner as a complaint alleging discrimination.

II. PUBLICATION OF THIS PROCEDURE
This Procedure must be available to all employees in a location clearly designated by the College; included in the College’s Student handbook; and posted on each College’s Web site. Notice of the College’s non-discrimination statement and contact information of the College’s Non-Discrimination/Affirmative Action Officer (ND/AA Officer) and ADA compliance officers must also be posted in conspicuous locations on campus.

III. REPORTING DISCRIMINATION AND/OR HARASSMENT
A. Where to Report
Any person who believes that he or she has been discriminated against or harassed (“complainant”) must make a timely report to the College’s ND/AA Officer Dean of Students, 207-453-5019 as set forth herein. If the ND/AA Officer is the person alleged to have discriminated against or harassed, the complainant should report the complaint to the College President. The College President will then assign a person other than the ND/AA Officer to investigate the complaint. If the College President is the person alleged to have discriminated against or harassed, the role of the College President in this Procedure will be executed by the MCCS Director of Human Resources, who may be contacted at 323 State Street, Augusta, Maine, 04330; ph: 207-629-4000, or that Director’s designee.

B. When to Report
A complainant should report their complaint as soon as possible after the first date of the alleged discrimination or harassment, and must report, if at all, not later than 180 calendar days after the last date of the alleged discrimination or harassment.

C. How to Report
A complaint may be made orally or in writing, and it must be particular. It must disclose the identity of the person(s) alleged to have engaged in affirmative action which, for purposes of this Procedure, shall be processed in the same manner as a complaint alleging discrimination.
the complainant to the ND/AA Officer and inform that Officer of that employee’s knowledge of that complaint. The College cannot take complaints “off the record.” Once the College receives such information, it has a duty to investigate and possibly take action even if, at the time of the complaint, the complainant does not want the College to do either. Unless the complainant signs a written statement specifying withdrawal of the complaint, the complainant may not be deemed to have withdrawn her or his complaint. A report filed under this Procedure will not be deemed to be a “grievance” under any applicable collective bargaining agreement. If a complainant seeks to file a collective bargaining-based grievance, the complainant must do so in addition to complying with this Procedure.

D. Disability Accommodation Complaints

A person whose discrimination complaint relates to a disability accommodation must first comply with the College’s ADA or Disability Services policy and procedure, and present any such concerns to the College’s ADA or Disability Coordinator prior to reporting a complaint to the ND/AA Officer.

IV. INVESTIGATION OF COMPLAINTS

The following procedures apply to the investigation of discrimination and harassment complaints. In some instances, the College President or MCCS Director of Human Resources may authorize a qualified person other than the ND/AA Officer to conduct the investigation and/or act upon its findings, which person shall then assume the ND/AA’s duties as designated.

A. Informal Procedure

The ND/AA Officer will attempt to resolve a complaint of discrimination or harassment as informally as possible by seeking information and cooperation from both the complainant and respondent. If the parties agree to use this Informal Procedure, such Procedure will be completed within 20 working days of the ND/AA Officer’s receipt of the complaint. This timeframe may be extended by the ND/AA Officer as the Officer deems reasonably necessary, provided that any such extension does not impose undue delay, and provided further that the ND/AA Officer documents the dates of, and reasons for, each delay. If either the complainant or respondent declines to use the Informal Procedure, or such Informal Procedure is not otherwise successful, the ND/AA Officer will use the following Formal Procedure.

B. Formal Procedure

The Formal Procedure, if used, will be completed within 60 calendar days of the ND/AA Officer receipt of a complaint under this Procedure.

1. Within 10 working days of receiving the complaint

The ND/AA Officer will:

a. meet with the complainant to discuss the complaint;

b. provide to the respondent that notice of the complaint as may be required by either the Student Code of Conduct or the collective bargaining agreement;

c. begin to collect evidence and arrange interviews of witnesses; and

d. interview the respondent.

2. Within 5 working days of completing the investigation

An investigation is complete when the pertinent supervisor (e.g., Dean of Students, College President) and ND/AA Officer determine that no additional fact finding is required. Within 5 working days of completing the investigation, the College will decide upon its response to the complaint and so inform the complainant and respondent of the nature of that response. Personnel privacy obligations may prevent the College from disclosing to the complainant the details of the specific action that the College will take.

3. Extension and Coordination of Above Timeframes

The timeframes specified above may be extended by the ND/AA Officer as the Officer deems reasonably necessary, provided that any such extension does not impose undue delay, and provided further that the ND/AA Officer documents the dates of, and reasons for, each delay. In addition, this Formal Procedure must be applied as consistently as possible with the related procedures set forth in the MCCS Student Code of Conduct and MCCS collective bargaining agreements. When a timeframe specified in this Formal Procedure conflicts with a specific timeframe set forth in the Student Code of Conduct or collective bargaining agreement, the timeframe in the Code and agreements shall control, provided that such control shall not
unduly delay the completion of the College's investigation under this Procedure.

C. Interim Steps While a complaint is under review, the ND/AA Officer may recommend to the appropriate supervising authority at the College that such authority take, consistent with the applicable procedures and standards set forth in the College’s Student Code of Conduct and/or any employment policy or agreement, any appropriate or necessary interim action such as removing the complainant from contact with the respondent.

D. Limit on Confidentiality The College may need, as part of its investigation, to disclose the complainant’s name, statements and allegations to certain relevant other persons, including the alleged discriminator or harasser.

V. ACTION UPON FINDINGS FROM THE INVESTIGATION

If the College determines that it will take disciplinary or other responsive action as a result of its investigation that action will be taken without undue delay as follows.

A. Action Against a Student To implement discipline or other action in response to complaints against a student, the College will use the MCCS Student Code of Conduct.

B. Action Against an Employee To implement discipline or other action in response to complaints against an employee, the College will use the applicable collective bargaining agreement or other pertinent employment policy.

C. Action Against Others To implement discipline or other action in response to complaints against a contractor or other party, the College will consult with the College President.

D. Action to Address Disability Accommodations To address the College’s provision of disability accommodation, the College will follow its pertinent ADA or Disability Services protocol.

VI. APPEALS OF COLLEGE RESPONSE TO COMPLAINT

Any appeals from action taken under Section V above shall be taken pursuant to the applicable Code, collective bargaining agreement or employment policy. Only if those sources do not provide an appeal process to an affected party, then the following appeal process shall apply.

Within 10 working days of receiving the report of the investigation, a party to the complaint who is aggrieved by the decision may appeal (“appellant”) to the College President (or to the MCCS Director of Human Resources if the College President is the respondent to the complaint; see Section III.A.). Within 10 working days of receipt of the appeal, the College President will meet with the appellant to discuss the appeal. Within 10 working days after the meeting, the College President will inform the appellant and other party(s) to the complaint of the College President’s decision on the appeal. Such timeframes may be extended by the College President as the President deems reasonably necessary, provided any such extension does not impose undue delay, and provided further that the College President documents the dates of, and reasons for, each delay.

VII. EXTERNAL COMPLAINT PROCEDURES

In addition to, or in place of, filing a complaint through this Procedure, a complainant has the right to file a private lawsuit or a complaint with outside agencies. For example, a complaint alleging discrimination in the College’s education programs and/or activities under Title VI of the Civil Rights Act of 1964 (race, color, national origin), the Age Discrimination Act of 1975 (age), Title IX of the Education Amendments of 1972 (sex), Section 504 of the Rehabilitation Act of 1973 (disability), and/or Title II of the Americans with Disabilities Act of 1990 (disability) may be filed with the United States Department of Education, Office for Civil Rights, 33 Arch Street, Suite 900, Boston, MA 02110, telephone 617.289.0111, TTY/TDD 617.289.0063, fax 617.289.0150, email OCR.Boston@ed.gov, internet http://www.ed.gov/about/offices/list/ocr/index.html?src=oc. VIII. RETALIATION, INTIMIDATION AND COERCION
Retaliation, intimidation and/or coercion against any person who in good faith either files a discrimination or harassment complaint or otherwise participates in the complaint process is a violation of law and MCCS policy. Complaints alleging retaliation of any kind shall be reported immediately to the ND/AA Officer as set forth in Section III of this Procedure.

IX. OTHER PROVISIONS
A. Communication with Disabled Persons
In implementing this Procedure, the College must communicate with a complainant who has a disability in a format accessible to the complainant.

B. Record Retention Unless otherwise directed by the MCCS Human Resources Director or MCCS General Counsel, the AA/ND College will retain a record of all information, complaints, decisions, appeals and responses handled under this Procedure for at least three (3) years.

C. Interpretation of this Procedure This Procedure intends to make as clear and consistent as practical the College’s best practices in complying with state and federal laws. This Procedure is not intended, and shall not be construed, to create or expand substantive or procedural rights under any law.
