Moody Memorial Chapel, built of granite mined from the local Dodlin Quarry, features an 80-foot aisle, oak pews and pulpit, birch floors, antique pipe organ and grand piano, and bride and groom dressing rooms.

The Chapel was originally a gift to the Good Will Home Association from Miss Frances E. Moody of Bath, Maine, in memory of her sister, Miss Mary D. Moody. The cornerstone was laid on August 3, 1896 and the Chapel was dedicated on June 16, 1897 marking an important epoch in the history of the Good Will enterprise.

The crowning features of the Chapel are two memorial windows installed at opposite ends of the Chapel proper, illustrating lilies and grapes, favorites of the two sisters.
