

# WHAT TO KNOW BEFORE YOU COME TO CAMPUS

All the things you need to know before coming to campus this fall

## ACCESS AND SCREENING

Each building will have one entrance and a Welcome Station.

### Daily Screening APP

Students will complete a screening app called LiveSafe.

Go to Google Play or Apple to download the APP > Set up your account>select Maine Community College System > select KVCC > answer the survey questions each day.

A green check mark will gain you entrance to campus buildings each time you visit campus. No mobile device? A paper questionnaire is available.

## FACE COVERINGS & SOCIAL DISTANCING

### Face Coverings (Masks)

An approved face covering (mask) is required in all campus buildings.

The covering must fit snugly around your nose, mouth, and chin.

Neck gaiters, bandanas and masks with vents are not acceptable.

Bring your own mask when coming to campus.

A mask will be available if you forget.

### Social Distancing

Maintain 6 feet of physical distance from others.

Wearing a mask does not substitute for distancing.

## FOOD SERVICES

Both the Café and Salubrious will be closed this semester.

*Please bring your lunch or snack in an insulated bag.*

### Note designated lunching areas

On the Alfond Campus, there is a tented area and the Gazebo In Fairfield, there is outside seating at the Learning Commons and picnic tables on The Green outside Carter Hall.

The Campus Center in King Hall

and the Trades break area in FRYE also provide lunch areas.

## NOT FEELING WELL?

Please stay home.

Reach out to your faculty if you miss class.

If you have concerns about your health, you may want to contact your health care provider.
