

MENTAL HEALTH

ASSOCIATE IN APPLIED SCIENCE DEGREE AND CERTIFICATE PROGRAMS

Millions of people in the United States are affected by mental illness each year. KVCC's Mental Health program provides the essential skills and knowledge needed for entry-level and case management positions within the mental health field in Maine as Mental Health Rehabilitation Technicians. The MHRT/Community certification applies to providers of community support services, case management services, intensive case management services, assertive community treatment, and day support services as outlined in Chapter II of the MaineCare Benefits Manual, Section 17.

"KVCC's Mental Health program was the foundation of my education. It taught me the values I use in my work today, particularly honoring the dignity and worth of every individual, even those that happen to be different."

Prepare for certification as a Mental Health Rehabilitation Technician

What Mental Health graduates do:

- Provide community support
- Conduct intensive case management
- Day support services
- Deliver assertive community treatment
- Crisis counseling

Career Opportunities:

- Mental health agencies
- Rehabilitation centers
