

NURSING ADN PROGRAM

ASSOCIATE IN SCIENCE DEGREE PROGRAM

Become a registered nurse
and make a difference

Nursing is the largest health care profession in the United States, providing limitless and rewarding career opportunities for men and women. The Associate Degree in Nursing at KVCC prepares students to care for individuals and families, helping them attain, maintain, or recover optimal health and functioning.

Approved by the Maine State Board of Nursing, 161 Capitol Street, 158 State House Station, Augusta, Maine 04333-0158
Tel: 207-287-1333 - www.state.me.us/boardofnursing

Accredited by the Accreditation Commission for Education in Nursing (ACEN), 3343 Peachtree Road, NE, Suite 850, Atlanta, Georgia, 30326 Tel: 404-975-5000 - Fax 404-975-5020 - info@acenursing.org | www.acenursing.org

"I have wanted to be a nurse for most of my life. KVCC has made that possibility a reality for me. It was the hardest thing I have ever done, but the things that are most important in life are the hardest to earn."

What Nursing graduates do:

- Provide direct care
- Perform physical examinations
- Take health histories
- Do diagnostic testing/analyze results
- Use monitoring equipment
- Administer treatment/medications
- Provide emotional support to patients

Career Opportunities:

- Hospitals
- Medical offices
- Maternity and pediatric settings
- Rehabilitation/long-term care centers
- Critical care units
- Dialysis facilities
- Cancer centers
- Surgical centers
- Mental health units
- Home health agencies
