

# Chef / Assistant Chef

To Start: June 10, 2021

## Description

Haystack Mountain School of Crafts is seeking a new Chef and/or Assistant Chef for summer and fall operations. This position will report to the Food & Beverage Manager, and is responsible for staff oversight and food production. Haystack has a reputation for healthy and delicious meals, with the dining hall being a vital component of the Haystack experience. Summer of 2021 will have new challenges as we re-open with a reduced number of guests and a commitment to safety without compromising our Mission and Values.

Job responsibilities for this position will include but are not limited to:

- Development and execution of daily menus
- Work with the Food & Beverage Manager to train and oversee the kitchen staff
- Maintain a safe and productive work environment
- Maintain health and sanitation standards
- Order, schedule and receive deliveries in an efficient manner
- Proper storage and maintenance of all perishable and non-perishable inventory
- Maintain a professional environment for presentation to the public

Housing on the Haystack campus may be provided with this position and applications from couples will be considered if both individuals are applying for kitchen positions at the school. Hourly salary commensurate with experience.

Apply immediately to: Carrie Palmer, [foodbeverage@haystack-mtn.org](mailto:foodbeverage@haystack-mtn.org)

Haystack is committed to equity and to creating a welcoming and supportive work environment that is anti-racist, diverse and inclusive. All qualified applicants will receive consideration for employment without regard to race, religion, gender, gender identity or expression, sexual orientation, national origin, disability, age, veteran status, or any protected category prohibited by local, state, or federal laws. Haystack is committed to compliance with all fair employment practices regarding citizenship and immigration status.

*The Haystack Mountain School of Crafts is an international craft school located on the Atlantic Ocean in Deer Isle, Maine. Founded in 1950 as a research and studio program in the arts, Haystack offers one and two-week studio workshops to participants of all skill levels as well as the two-week Open Studio Residency program, exhibitions, tours, auctions, artist lectures, and shorter workshops for Maine residents and local students. The award-winning campus was designed by noted American architect, Edward Larrabee Barnes, and opened in 1961 when the school relocated to Deer Isle.*
