6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the CRRSAA and ARP (a)(1) and (a)(4) programs.

- KVCC began distributing CRRSAA funds to students in May 2021 utilizing the following eligibility criteria:

KVCC students who are enrolled in the current semester with a completed current academic year Free Application for Federal Financial Aid (FAFSA) and financial concerns are encouraged to complete an application.

Applications will be prioritized based on “exceptional need.” Exceptional need will be determined as a student receiving a Federal Pell Grant during the semester of the CRRSAA Grant application.

Additional “exceptional need” factors may be considered including:

- Receiving a Federal Pell Grant during 2020-2021 academic year,
- Being a dependent student whose guardian experienced a significant income change due to a layoff, business closure, or who has experienced a reduction in work hours due to the coronavirus.
- Being an independent student who had a significant income change due to a layoff, business closure, or who has experienced a reduction in work hours due to the coronavirus.
- Being a student with an overdue student account balance that was generated after March 13, 2020.

Unfortunately, international students do not generally qualify for a CRRSAA grant. Federal Personal Responsibility and Work Opportunity Reconciliation Act guidance precludes the distribution of CRRSA Act funds to DACA, undocumented and international students.

However, persons granted asylum or refugee status are considered eligible non-citizens for financial aid purposes. To be eligible to receive federal financial aid, and therefore CRRSA Act funds, a student must first receive an approved status designation of either “Refugee” or “Asylee” on their Arrival-Departure Record (I-94). FAFSA categories of eligible non-citizens include:

- U.S. permanent resident, with a Permanent Resident Card (formerly known as an Alien Registration Receipt Card or “Green Card”)

 - Other eligible noncitizen with an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: “Refugee,” “Asylum Granted,” “Indefinite Parole,” “Humanitarian Parole,” or “Cuban-Haitian Entrant”
 - A citizen of the Republic of Palau (PW), the Republic of the Marshall Islands (MH), or the Federated States of Micronesia (FM).
- KVCC began distributing CRRSAA funds to students in May 2021 utilizing the following award amount determination:
 - Qualified student applicants demonstrating “exceptional need” will be granted up to \$1,000.
 - Qualified students determined to be eligible without “exceptional need” will be granted up to \$500.
- KVCC began distributing ARP Act funds to students in June 2021.
- As of June 1, 2021 KVCC began utilizing the following eligibility and award determinations are based on the following eligibility criteria for both CRRSAA and ARP Act student applications.
 - KVCC students who are enrolled in the current semester and have financial concerns are encouraged to complete an CRRSAA/ARP Act Grant application.
 - Applications will be prioritized based on “exceptional need.” Exceptional need will be determined as a student receiving a Federal Pell Grant during the semester of the CRRSAA/ARP Grant application.
 - A FAFSA on file is the only practicable way for an institution to determine the student’s need.
 - In cases where a FAFSA is not available, the information available on the application will be used to determine and document need. Need factors that may be considered include:
 - Receiving a Federal Pell Grant during 2020-2021 academic year,

CRRSAA Grant Frequently Asked Questions

HOW DO I APPLY?

To apply, KVCC students must fill out the form at this link:

[https://my.kvcc.me.edu/ICS/\(DEV\)_Finances/Federal_CRRSA_Act_Emergency_Grant_Request.jnz](https://my.kvcc.me.edu/ICS/(DEV)_Finances/Federal_CRRSA_Act_Emergency_Grant_Request.jnz), once they are signed in to the KVCC Student Portal at <https://my.kvcc.me.edu/ICS/>

Applications will be reviewed bi-weekly.

HOW WILL I RECEIVE FUNDS, IF I AM AWARDED A CRRSAA GRANT?

Funds will be disbursed based on the award option selected on the student's application.

Option 1: A refund check will be issued to the student and postal mailed to the student's address on file.

Option 2: The grant will be applied to the student's outstanding KVCC account balance ONLY if the applicant checks "yes" in response to "If you have a balance due to the College, do you wish to have Federal Cares and/or CRRSA Act funds applied to your balance due?"

Note: Institutions may not use the CRRSAA funds to satisfy a student's outstanding account balance unless the college has obtained the student's written or electronic consent (via the grant application).

WHAT IS THE MAXIMUM AMOUNT I MAY RECEIVE?

Qualified student applicants demonstrating "exceptional need" will be granted up to \$1,000.

Qualified students determined to be eligible without "exceptional need" will be granted up to \$500.

Cuban-Palauan Entrant

- A citizen of the Republic of Palau (PW), the Republic of the Marshall Islands (MH), or the Federated States of Micronesia (FM).

MAY I APPLY MORE THAN ONCE? -

- Students who received a Cares Act Student Emergency Relief Grant prior to May 1, 2021 may also apply for consideration to receive a CRRSAA grant.
- Students may only apply for a CRRSAA grant once per semester.
- Funds will be awarded on an as-available basis, funds are not guaranteed to be available in a future semester.
- Students submitting a second application in a subsequent semester may be awarded less than what they were granted at the time of their initial approved CRRSAA application. For example, if you are awarded a \$1,000 grant in the Fall 2021 semester and experience another financial hardship during the Spring 2022 semester, you may only be awarded up to \$500 after the second application, if funds are still available.

WILL I NEED TO PAY BACK CRRSAA GRANT FUNDS? -

No, CRRSAA funds are considered a federal student aid grant which will not need to be paid back.

However, as of January 19, 2021, the IRS notice does not waive 1098-T reporting requirement for payments received for QTRE (qualified tuition and related expenses) from CRRSAA grants. CRRSAA grant awards may be reported on your 2021 1098-T for tax filing purposes.

In cases where a FAFSA is not available, the information available on the application will be used to determine and document need. Need factors that may be considered include:

- Receiving a Federal Pell Grant during 2020-2021 academic year,
- Being a dependent student whose guardian experienced a significant income change due to a layoff, business closure, or who has experienced a reduction in work hours due to the coronavirus.

HOW OFTEN ARE APPLICATIONS REVIEWED?

Applications will be reviewed bi-weekly.

HOW WILL I RECEIVE FUNDS, IF I AM AWARDED AN ARP GRANT?

Funds will be disbursed based on the applicant’s responses to the student account balance questions on the student’s application.

Option 1: A refund check will be issued to the student and postal mailed to the student’s address on file.

Option 2: The grant will be applied to the student’s outstanding KVCC account balance

Option 3: A portion of the grant will be applied to the student’s outstanding KVCC account balance and the remainder of the grant will be issued to the student and postal mailed to the student.

Application Example:

If you have a balance due to the College, do you wish to have ARP Act funds applied to your balance due?

- You must respond “yes” to have any portion of your ARP Act Grant award applied to your student account. If you respond “no” grant funds awarded will be mailed to you.

Would you like this balance to be paid to your student account in full?

- You must respond “yes” to have your full ARP Act Grant award applied to your student account.

Please indicate how much ARP Act Grant award funds to apply to your student account balance. Example, if you are awarded \$1,000 in ARP Act Grant funds and you want \$600 of it to be applied to your student account you must enter \$600.

- This amount may differ from your actual ARP Act Grant award, we will process your application accordingly, up to the total amount of your actual grant award.

Important Notes:

- Institutions may not use ARP Act Grant funds to satisfy a student’s outstanding account balance unless the college has obtained the student’s written or electronic consent (via the grant application).
- If you have consented to applying any portion of the grant to your student account but do not currently have a balance due, your ARP Act Grant award will be mailed to you in its entirety.
- If you indicated that you would like for your grant to be issued as a refund check, please note that refund checks will typically be mailed on the Friday following the grant approval date. Refund checks may not be picked up.

American Rescue Plan (ARP) Act Student Emergency Relief Grants

The American Rescue Plan (ARP) Act passed by Congress and signed by the President on March 11, 2021 included \$17M for the colleges of the Maine Community College System to provide emergency financial aid grants to their students for expenses related to the disruption of campus operations due to coronavirus.
