

**Transfer Articulation Agreement for Baccalaureate Degree
Memorandum of Understanding Between
Husson University and
Kennebec Valley Community College**

Statement of Purpose

Husson University and Kennebec Valley Community College have entered into this transfer articulation agreement. The purpose of this agreement is to facilitate student academic transfer and provide a smooth transition from a two-year college to a university. It is recognized that this agreement shall describe the required program of study at Kennebec Valley Community College for admission eligibility to Husson University and the Baccalaureate Degree Program indicated.

Terms and Conditions of Academic Credit Transfer

To: Bachelor of Science (as referenced in Appendix B)

From: Associate of Applied Science (as referenced in Appendix B)

The evaluation and transfer of earned college credits shall be in compliance with state and federal education policies and institutional and academic program accreditation standards pertaining to undergraduate academic transfer. Current students and graduates who have earned degrees from Kennebec Valley Community College shall be eligible for credit evaluation under the terms of this agreement.

Transfer students will be accorded the same standards and criteria for admission to a major degree sequence as Husson University students. All applicants accepted to Husson University's Baccalaureate programs must fulfill the graduation requirements of the granting institution as identified in Addendum A & B.

- * Addendum A Contains Admission & Graduation Requirements of the Receiving Institution
- * Addendum B Identifies the Programs incorporated into the Memorandum with attachments that provide side by side course equivalency tables for the academic programs listed.

Articulation Implementation and Agreement Review

The Chief Academic Officer designee of the collaborating institutions shall be responsible for implementing this agreement, for identifying and incorporating any changes into subsequent agreements, and for conducting a periodic review of this agreement.

Signatures to This Agreement

This agreement becomes effective November, 2014 and will be reviewed annually for renewal discussion.

**Transfer Articulation Agreement for Baccalaureate Degree
Memorandum of Understanding Between
Husson University and
Kennebec Valley Community College**

ADDENDUM A

This addendum includes Husson University's admission requirement, transfer policy, specific program requirements, and contact information of the individuals at the respective institutions.

Admissions requirements

In order to be admitted into a Husson University degree program, the following documentation is required:

- high school transcript(s);
- college transcript(s);
- military transcripts (if applicable);
- appropriate immunizations;
- appropriate application form with the Division of Extended Learning or the Office of Undergraduate Admissions.

Transfer Policy

Transfer of credits earned at the granting institution will be considered according to the schedules in Addendum B. Specific information regarding Husson University's transfer credit policy is as follows:

- Transfer students applying to Husson University under advanced standing, based on the quality of their credentials, must request an official transcript be sent to Husson University Admissions. Each transcript will be evaluated individually based upon grades and existing transfer agreements between Husson University and the transfer institution at the time of application.
- Transfer students and Husson University students will be held to the same standards and criteria for admission.
- A transfer student without an associate degree is granted academic credit for courses in which a "C" or better grade has been attained.
- The transfer student, after becoming a student at Husson, cannot transfer additional credits from any other institution into a Husson degree or certificate program.
- Students who transfer into Husson University must complete their final 30 credit hours at Husson University and a minimum of 15 credits specific to the major.

Requirements for the Bachelor of Science as referenced in Addendum B

- Completion of credits according to the attachments in Addendum B
- Cumulative grade point average needed to graduate 2.0
- Grade point average within the major needed to graduate 2.0
