6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the CRRSAA and ARP (a)(1) and (a)(4) programs.

KVCC began distributing CRRSAA funds to students in May 2021 following eligibility criteria as it has been updated and conveyed to higher education institutions. During the grant quarter ending September 30, 2021 the following three methods were used to encourage applications and determine award amounts:

1. Summer Semester 2021 May 13, 2021- August 6, 2021:

HOW ARE ARP/CRRSAA GRANT RECIPIENTS SELECTED?

KVCC students who are enrolled in the current semester and have financial concerns are encouraged to complete an ARP/CRRSAA Grant application.

Applications will be prioritized based on “exceptional need.” Exceptional need will be determined as a student receiving a Federal Pell Grant during the semester of the ARP Grant application.

A FAFSA on file is the only practicable way for an institution to determine the student’s need.

Quarter `One Report July 1, 2021- September 30, 2021

In cases where a FAFSA is not available, the information available on the application will be used to determine and document need. Need factors that may be considered include:

- Receiving a Federal Pell Grant during 2020-2021 academic year,
- Being a dependent student whose guardian experienced a significant income change due to a layoff, business closure, or who has experienced a reduction in work hours due to the coronavirus.
- Being an independent student who had a significant income change due to a layoff, business closure, or who has experienced a reduction in work hours due to the coronavirus.
- Being a student with an overdue student account balance that was generated after March 13, 2020.

I AM AN INTERNATIONAL STUDENT, DO I QUALIFY?

Students who are refugees, asylum seekers, Deferred Action for Childhood Arrival (DACA) recipients, other DREAMers, and similar undocumented students qualify for ARP (HEERF III) student grants.

HOW DO I APPLY?

To apply, KVCC students must sign into the myKVCC Student Portal and complete The American Rescue Plan (ARP) Act Grant application located in the “Finances” tab

WHAT IS THE MAXIMUM AMOUNT I MAY RECEIVE?

Qualified student applicants demonstrating “exceptional need” through Federal Pell Grant eligibility at the time of the application will be granted up to \$1,000.

Qualified student applicants determined to be eligible without demonstrating “exceptional need” through Federal Pell Grant eligibility at the time of the application will be granted up to \$500.

In August 2021, KVCC emailed 273 current and former students that had an outstanding student account balance (excluding fall 2021 charges) generated after March 13, 2021. Approximately half of the email recipients completed an application. The maximum award was predetermined to be the total outstanding balance up to \$6,000. Awards ranged from \$75.00-\$5,499 with an average student award of \$1,000.30.

Kennebec Valley Community College has received one-time funding from the federal government under the Higher Education Emergency Relief Fund (HEERF) to assist current and former students who owe tuition and fee balances that were incurred for classes between March 13, 2020 and June 30, 2021. These are grant funds that do not require any repayment on your part. We are contacting you to provide you with this opportunity to take care of your outstanding balance. Please apply by August 17, 2021.

To apply the funds to your balance owed to the College, you must consent to do so. If you wish to use this one-time federal funding to cover your outstanding KVCC charges, please complete the very brief application linked below.

AMERICAN RESCUE PLAN (ARP) ACT GRANTS

The American Rescue Plan (ARP) Act passed by Congress and signed by the President on March 11, 2021 included \$17M for the colleges of the Maine Community College System to provide emergency financial aid grants to their students for expenses related to the disruption of campus operations due to coronavirus.

ARP Act emergency funds may be used for any component of students cost of attendance or for emergency costs that arise due to the coronavirus, such as tuition and fees, food, housing, course materials, technology, health care (including mental health) and child-care expenses.

The ARP Act requires that institutions prioritize students with exceptional need, such as students eligible to receive a Federal Pell Grant. This will be completed through a common application process at each institution.
