Notice to the Applicant

Criminal Background Checks

Applicants to certain programs need to note that a criminal background check will likely be required while enrolled in the program or as a condition of employment in the field. Certain internship and/or practicum sites, such as health care facilities, may limit or deny clinical privileges to those students who have a prior or current criminal record.

- Should a clinical facility refuse to permit a student to complete a clinical rotation based upon the student's criminal background check, the student may not be able to complete the program. In the event a student is denied placement at a clinical site the college will likely be required to enter an academic dismissal from the program.
- Additionally, certain licensing and credentialing boards may refuse to issue a license to practice based upon prior or current criminal offense (s). To learn more about whether the program or profession in which you are interested has such requirements or limitations, contact the appropriate Department Chair.

Infectious Diseases

Applicants who consider a career in Nursing or the Allied Health professions should be aware that during the course of their education and subsequent employment, they will be working in situations where exposure to infectious diseases is probable. This is an occupational risk for all health care workers. Persons should not become health care workers unless they recognize and accept this risk. Proper education and strict adherence to well-established infection control guidelines, however, can reduce the risk to a minimum. Thorough education in infection control procedures is an integral part of each health care program.

Exposure to Latex

Additionally, applicants should be aware that exposure to natural rubber latex (NRL) is likely. Individuals exposed to NRL products may develop allergic reactions such as skin rashes; hives; nasal, eyes, or sinus symptoms; and, rarely, shock.

Costs

Costs associated with required immunizations, criminal background checks, finger printing (when applicable) and admission testing are the responsibility of the applicant.

Clinical/Fieldwork Placement

Students may be scheduled for day, evening and night clinical/fieldwork experiences in some programs. It is expected that the student is able to make the necessary arrangements in order to complete all scheduled times. Placement is State-wide. The student is responsible for all travel and/or living related to the clinical or fieldwork experience.

KVCC is an equal opportunity affirmative action institution and employer.

For more information, contact the Dean of Students at (207) 453-5019.

Create an Account

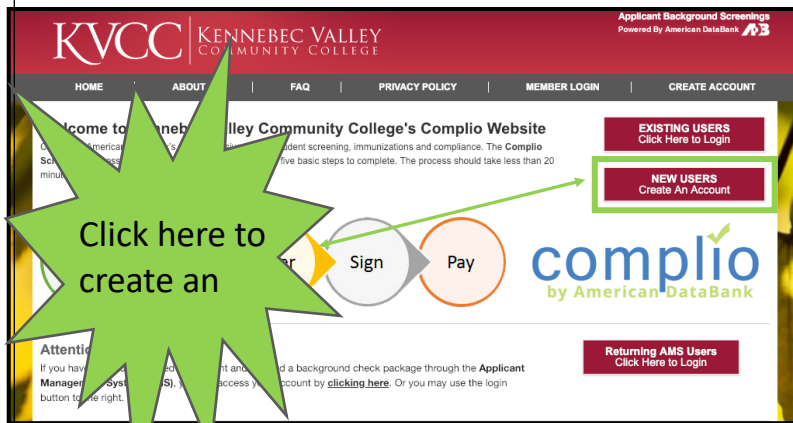

Go to <http://kvcccompliance.com/> If you're a new user, click on "New Users – Create an Account" in the top right hand corner of the page. Follow the steps to create your account. Once you create your account, you will receive an email with an activation link. Follow this link to log into your account. If you do not click on this link, your account will not be activated.

Select your program of study from the dropdowns that appear on the order screen. Then click "Load Packages."

Choose the appropriate package(s) for your program. The price of any packages ordered will be displayed as you select them. *If you are unsure of which package(s) to order, please reach out to your school.*

Review the order information as well as personal information to make sure everything is entered correctly. You will also be prompted to read and sign the Disclosure & Authorization form before you complete your order.

After entering your payment information, a confirmation of payment from American DataBank will be sent to the email address you provided.

Tracking
Immunization Package(s)

☐ Kennebec Valley Master Package

☐ 12 Months (\$18.00)

☐ 24 Months (\$28.00)

Estimated Tracking Total:

Screening

☐ Criminal Background Check (\$60.00)

You will choose from these packages. If you're unsure of which package to order, please contact KVCC.

☒ I have read and agree to the above Disclosure & Authorization form.

Associating Documents

Return to your Home page, where you will see the list of requirements listed.

Click “Enter Requirements” to the right & indicate which required items you are submitting. You will see what is required to become compliant for each category as soon as you click “Enter Requirements”.

Choose documents from your document library that should be associated with each item. You may upload these individually into the category.

You may need to submit multiple items for a single compliance category. You may also assign the same document to multiple items.

Enter the details required for each item – date, results, etc.

Documents are reviewed within 1-3 business days. Be sure to submit documents at least 3 business days prior to any

Compliance Category/Item (Expand / Collapse)	Requirement Explanation
Required Compliance Category	
<input checked="" type="checkbox"/> MMR	+ Enter Requirements
<input checked="" type="checkbox"/> Varicella	+ Enter Requirements
<input checked="" type="checkbox"/> Hepatitis B	+ Enter Requirements
<input checked="" type="checkbox"/> Tuberculosis	+ Enter Requirements

MMR

Add New Requirement

MMR:

You must submit proof of a Measles Titer, Mumps Titer, and Rubella Titer.

If any of your titers are not positive (negative or equivocal) you must submit 2 MMR Boosters dated after your not immune titer(s).

If you must submit MMR Boosters, they must be dated at least 30 days apart. You will be compliant for 30 days after you submit MMR Booster 1.

Select a requirement:

Hepatitis B

MMR Booster 2
Measles Titer
Mumps Titer
Rubella Titer
MMR Booster 1

You might need to submit more than one item for each category. You can associate the same document to more than one item in each category. In this example I would want to associate my document to each titer – Measles, Mumps, and Rubella. I then need to add my result and my date for each titer as

MMR:

You must submit proof of a Measles Titer, Mumps Titer, and a Rubella Titer, dated within the last 10 years.

If any of your titers are not positive (negative or equivocal) you must submit 2 MMR Boosters dated after your not immune titer(s).

If you must submit MMR Boosters, they must be dated at least 30 days apart. You will be compliant for 30 days after you submit MMR Booster 1.

Select a requirement: [Apply For Exception](#)

fill the form below for Measles Titer

Date: Document:

Results:

Upload Additional Documents:

Note:

I need to associate this document to each titer!

Document Review

Once you have submitted your documentation for review, the red X on the left side of your home screen will become a yellow exclamation point. A yellow exclamation point indicates your document is pending review.

American DataBank will review your documents to ensure they meet your University's standards.

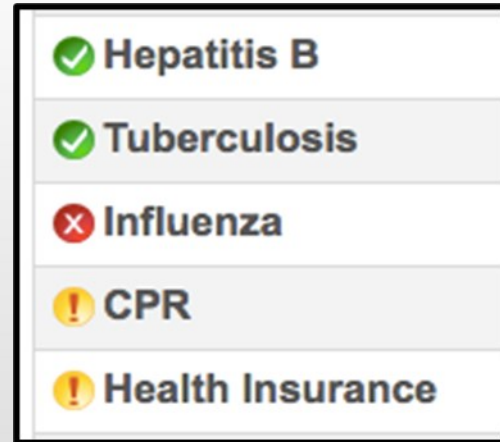

If you have any questions about what your documents need to have in order to be approved, please click on "Requirement Explanation", at the top of your screen.

Once American DataBank reviews your documents, the category will either have a green check mark or a red X next to the category.

A green check mark means the category is compliant.

A red X means the category is not compliant. If your document doesn't meet the requirements, you will receive a notification from Complio with an explanation.

Your account will show all green check marks once you are fully compliant

Questions?

©American DataBank is always happy to help. You may call, email, or message us with any questions or concerns you have about Complio, your account, or your students' statuses.
