Question I – Email received July 7, 2022

Would the college consider a Management Fee arrange for the first year of service, or until the student population has returned to pre-pandemic levels?

Reply I

No, Kennebec Valley Community College is seeking a vendor to provide food services for an established cost and at full financial risk.

Question II – Email received July 7, 2022

What is the expected fall enrollment for on campus students?

Reply II

The expected fall enrollment for on campus students during the Fall of 2022 is 600-700; with various course schedules through the weeks.
