Physical Therapist Assistant Program

Job Shadowing

The Physical Therapist Assistant Program at Kennebec Valley Community College teaches professionalism. The PTA program is highly technical, both academically and clinically, and requires a strong personal commitment from each student. All applicants must be aware of the practice of Physical Therapy in a variety of settings in order to make this educational commitment. Applicants fulfill this knowledge requirement through job shadowing.

Each applicant must observe two (2) different settings to successfully complete the requirement.

An applicant can:

1. Visit two (2) settings; one (1) from category A and one (1) from category B. (each job shadow must be at least four (4) hours long)
2. **OR** Document previous or current work experience in a PT Practice **AND** complete one (1) job shadow in a different setting.
3. **OR** If you are unable to obtain a job shadow placement due to current circumstances, you may watch the following three videos. If these videos are completed, please indicate that you have done so by placing a check mark next to each video. **In-person job shadows are preferred**

Proper documentation is required from all job shadows and or work/volunteer experiences.

PTA Program Applicant Name: _____

Name of Site: _____

Address: _____ Phone Number: _____

Name of PT/PTA shadowed: _____

Type of Facility (Check one (1) from each category):

Physical Therapist Assistant Program

Admission Essay

Name of Applicant: _____ Date: _____

Directions: Fully answer the following four (4) questions. Attach this form to your typed essay questions responses and return to the Admissions Office, Kennebec Valley Community College, 92 Western Ave. Fairfield, ME 04937. Forms can also be emailed to enrollment@kvcc.me.edu

1. Why have you chosen to pursue the career of Physical Therapist Assistant?
2. Describe your understanding of the role of the Physical Therapist Assistant in the field of Physical Therapy?
3. If you were able to complete two in-person job shadow experiences, address the following items:
 - a. Identify each facility and the Physical Therapist or Assistant that you shadowed. Describe what you observed during your job shadowing experiences. For each site, describe one treatment session you observed.
 - b. What did you learn about Physical Therapy from your job shadowing experiences that you may not have known before?
- OR**
4. If you watched the required videos rather than (2) in-person job shadow experiences, address the following items:
 - a. Identify what you observed in the videos. Was there one physical therapist or physical therapist assistant that motivated you to become a physical therapist assistant? If so, why?
 - b. What did you learn about Physical Therapy from watching the videos that you may not have known before?

Notice to Applicant

Criminal Background Checks

Applicants to certain programs need to note that a criminal background check will likely be required while enrolled in the program or as a condition of employment in the field. Certain internship and/or practicum sites, such as health care facilities, may limit or deny clinical privileges to those students who have a prior or current criminal record.

- Should a clinical facility refuse to permit a student to complete a clinical rotation based upon the student's criminal background check, the student may not be able to complete the program. In the event a student is denied placement at a clinical site the college will likely be required to enter an academic dismissal from the program.
- Additionally, certain licensing and credentialing boards may refuse to issue a license to practice based upon prior or current criminal offense (s). To learn more about whether the program or profession in which you are interested has such requirements or limitations, contact the appropriate Department Chair.

Infectious Diseases

Applicants who consider a career in Nursing or the Allied Health professions should be aware that during their education and subsequent employment, they will be working in situations where exposure to infectious diseases is probable. This is an occupational risk for all health care workers. Persons should not become health care workers unless they recognize and accept this risk. Proper education and strict adherence to well-established infection control guidelines, however, can reduce the risk to a minimum. Thorough education in infection control procedures is an integral part of each health care program.

Exposure to Latex

Additionally, applicants should be aware that exposure to natural rubber latex (NRL) is likely. Individuals exposed to NRL products may develop allergic reactions such as skin rashes; hives; nasal, eyes, or sinus symptoms; and, rarely, shock.

Costs

Costs associated with required immunizations, criminal background checks, finger printing (when applicable) and admission testing are the responsibility of the applicant.

Clinical/Fieldwork Placement

Students may be scheduled for day, evening and night clinical/fieldwork experiences in some programs. It is expected that the student is able to make the necessary arrangements in order to complete all scheduled times. Placement is State-wide. The student is responsible for all travel and/or living related to the clinical or fieldwork experience.

KVCC is an equal opportunity affirmative action institution and employer.
For more information, contact the Dean of Students at (207) 453-5019.
