**Competitive Bid
Request for Proposal
Forestry Management Services**

**Addendum II
January 4, 2023**

Question I – Email received January 3, 2023

Do you require an example of an existing management plan be submitted as part of the proposal?

Reply I

Section 9.0 Bid Review and Evaluation for the evaluation method of proposals; item a. Technical ability to meet the outlined specifications. We do not require an example of an existing management plan; however, if you believe that it assists in demonstrating your ability to complete the scope of services for this project please include an example. Demonstrating your technical ability to meet the outlined specifications is 20% of the evaluation score.

Question II – Email received January 3, 2023

Do you require testimonials from references?

Reply II

Section 9.0 Bid Review and Evaluation for the evaluation method of proposals, item f. Past Performance and References. How you choose to demonstrate your past performance is your choice. Past performance and references are 10% of the evaluation score.

Question III – Email received January 3, 2023

A list of contact names and numbers for references who a bidder has worked with?

Reply III

Section 9.0 Bid Review and Evaluation for the evaluation method of proposals, item f. Past Performance and References. References and past performance are 10% of the evaluation score.
