The honor of leading the academic procession as Faculty Grand Marshal is awarded to an elected faculty member, nominated and voted on by their peers, who has demonstrated exceptional leadership, excellence in teaching, and service to the college.

The Kennebec Valley Community College mace was designed, created, and donated by the Maine State Prison.

Emeritus status is an honorary title that recognizes the outstanding services and contributions of selected faculty and administrators of the Maine Community College System. The MCCS criteria for this honorary title of Emeritus Status include: at least ten (10) years full-time employment with an individual community college or at the system level; clear evidence of outstanding teaching and/or administrative services; recognized record of professional achievement, growth, and development; clear evidence of MCCS and/or college service beyond the normal or ordinary expectations; prospects for continuing service to the MCCS and/or individual community college; and have retired, or have announced soon retiring, from MCCS.
